

Merry Christmas and Happy New Year!

What a couple of months we have had! Since the last newsletter, new and exciting things have occurred. First of all, we have a date for the 2025 crusade. It will be held in Campeche, Campeche Mexico on May 15-17, 2025. Preparations are already going forward and the pastors there are so excited that they want to start promoting the crusade already! We are getting posters and a video ready to give them so they can go to nearby towns and churches and begin the process. Isn't that exciting! We start with a bang!

Our school of evangelism in Mexico, GO Academy, is already gearing up for its start on January 7th and we have been working on everything that entails. Our very qualified directors are doing a fantastic job on all the logistics. Guess what class Jerry teaches? You answered correctly: Holy Ghost and Fire! We both teach the first week and then again the last week. There is a lot of enthusiasm about the restart of the school. This year it will be a bit different as we are trying to adapt to the needs of the students, so we will have two sessions in one year, each one 8 weeks. They are power-packed, intense weeks with a lot going on. Imagine having Jerry Garcia Ministries teaching for 8 power-packed weeks. Exactly what they will be receiving, so they better fasten their seatbelts and as Jerry likes to say, "take the breaks off."

In November we traveled to Bogota, Colombia to minister at Pastors Camilo and Maritza Bedoya's church. They are part of our pastoral group that we mentor. We had powerful meetings! Miracles and healings were manifested in the lives of the people. At one of the services where Ernie preached, the anointing to set the captive free was very strong. When the call was made for those needing to be set free from bondages, the altar was packed.

One 17-year-old girl who was put on suicidal watch two days prior attended the service. God totally set her free through a word of knowledge, letting her know she did not feel any emotions because she had closed her heart off to not be hurt anymore. When she heard that, she began to weep and she knew she was free. She testified she could not cry, laugh or feel but when that word was released her heart was set free. Isn't God so wonderful?

Another man came forward for healing in another service and he had a condition in his wrist and could not flex it. He was wearing a wrist guard but was instantly healed! Woohoo!

As we close out the year all we can say is “thank you, Jesus” for all He has done and thank you for all you have done to help us carry out the work of the Lord! You are a blessing, above and beyond what we could ask or pray.

“For God, the Faithful One, is not unfair. How can he forget the beautiful work you have done for him? He remembers the love you demonstrate as you continually serve his beloved ones for the glory of his name.”

Hebrews 6:10 TPT

May you enjoy a Merry Christmas and have a wonderful New Year.

Dios te bendiga,

Jerry & Ernie Garcia
